One-Year Limited Warranty

This Texas Instruments electronic calculator is warranted to the original consumer purchaser of the product for one (1) year from the original purchase date.

This calculator is warranted against defective materials or workmanship. **This warranty is void if the product has been damaged by accident, unreasonable use, neglect, improper service, or other causes not arising out of defects in material or workmanship. Any implied warranties, including but not limited to the implied warranties of merchantability and fitness for a particular purpose, are limited in duration to the above one-year period. Texas Instruments shall not be liable for loss of use of the calculator or other incidental or**

consequential costs, expenses, or damages incurred by the consumer or any other user.

Some states do not allow the exclusion or limitation of implied warranties or consequential damages, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

During the above one-year warranty period, a defective TI calculator will be replaced with a new or reconditioned comparable model (at TI's option) when the product is returned together with proof of purchase, postage prepaid, to a Texas Instruments Service Facility.
